

No **BOUNCE** Banking

Free Checking with Overdraft Privilege.

No one wants the inconvenience of a bounced check. That's why at First Arkansas Bank & Trust, we're now offering a \$500 overdraft privilege with your free checking account.

That means added peace of mind from your hometown bank.

We provide some important advantages that smaller banks can't offer and larger banks won't – such as free checking, now with a \$500 overdraft privilege.

We will charge our usual fee for each item which overdraws your account, but you will not have to pay any additional fees to retailers to redeem unpaid checks.

If you're not already enjoying the advantages of hometown banking with First Arkansas Bank & Trust, stop by or call today. Welcome to no-bounce banking with free checking and a \$500 overdraft privilege.
